

NEW PARKING FOR OFF-LEASH STARTS MONDAY

Starting Monday June 26, there is a new temporary parking location for pathway and off-leash area users:

- south of existing parking lot
- just past SLS parking entrance
- west side of Griffin Rd

Use the crosswalk to access the pathway; please leash dogs until you're across the road.

This interim configuration will help us meet the construction schedule for Griffin Rd realignment; final configuration still being developed.
