Willows of River Heights Neighbourhood Plan Amendments

Non-Statutory Public Hearing

May 13, 2024 | 5:30 p.m. | Cochrane RancheHouse

Any member of the public may attend to hear comments.

What are the Willows of River Heights Neighbourhood Plan Amendments?

This is an application to amend the existing Willows of River Heights Neighbourhood Plan to account for a proposed land use change being applied for through a separate application. The land use application involves changing the zoning for a number of parcels in Willows West, as shown on the below map, and include infilling a wetland as approved by Alberta Environment. The proposed amendments to the Neighbourhood Plan will update all text, maps, and figures with the new land use, and remove references to retaining the subject wetland.

What does this mean?

There is a separate application being brought forward to amend land use for the subject parcels in Willows West. This application will bring the Neighbourhood Plan into alignment with the proposed land use change.
