Be Careful Stay off the Ice

Town officials are reminding everyone to stay off the ice. With spring temperatures setting in, no body of water is safe. Although the surface may look solid, changes underneath can present a significant danger. All outdoor ice surfaces are closed for the season.

Street Sweeping Starts Soon

Spring is here, and residential street cleaning is scheduled to start Monday April 25 at 8am. Each subdivision will be scheduled for a single day of sweeping outside of the areas waste and recycling or organics collection day. The Roads Department asks for resident cooperation so they can clean up our community.
