NON STATUTORY PUBLIC HEARING NOTICE: Greystone Area C Neighbourhood Plan Amendment

Non Statutory Public Hearing

Monday Apr 25, 2022 | 5:30pm | Cochrane RancheHouse
Any member of the public may attend to hear comments.

What is the Greystone Area C Neighbourhood Plan Amendment?

This is an application to make minor amendments to the previously approved Greystone Area C Neighbourhood Plan. There are various amendments proposed from low density housing types, phasing, re-location of a walkway location, updates to density and updates to bring the plan into alignment with the recently adopted Land Use Bylaw.

What does this mean?

Should these Neighbourhood Plan amendments be approved there will be slight changes to the way the community of Greystone develops. There will be slightly more semi detached housing than originally proposed, community development may proceed in different phasing order than originally proposed and a walkway from River Avenue into the community may be moved.

How can I get more information?

Come to the Cochrane RancheHouse (101 RancheHouse Rd) between 8:30am and 4:30pm, Mon to Fri. Planning staff can explain what is proposed, how it might impact you and how the Public Hearing process works.

Can I provide comments?

Interested parties can submit oral and written comments about the proposed change in person at the public hearing or by email before the Public Hearing.
