

WORKING TOGETHER FOR SAFETY

SUMMERTIME RESPONSIBILITIES FOR HOMEOWNERS

Your responsibilities

After the recent rain and warmer weather, nature is once again in full bloom. Did you know that excessive dandelions are considered unsightly? Property owners must maintain the sides and backs of their properties (and alleys and boulevards, if applicable), so that they are tidy, and safe, at all times (Bylaw No. 04/2007).

Every year, Community Peace Officers respond to concerns from residents regarding unsightly premises in their neighborhoods. You can help by mowing or picking dandelions and other weeds and controlling the grass on your premises.

The parks department is beginning its weed control program on public land. For more information about the program, call 403-851-2590.
