

Information Bulletin #29

CCC Submissions and Maintenance Expiry Dates

May 6, 2019

Effective immediately, the projected earliest maintenance expiry date on the CCC Certificates will depend on the CCC completion inspection **and** submission of all required documents listed in Section 84 of the SSA. The Town has seen a significant lag in the timing of As-built submissions related to CCC's and will no longer date the CCC's earliest maintenance expiry based on when the inspection took place.

Please, feel free to contact the Civil Land Development department at (403) 851-2570 should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ryan Stewart", is written over the word "Sincerely,".

Ryan Stewart, C.E.T.
Manager, Civil Land Development
Town of Cochrane
