

Information Bulletin #30

Line Painting Requirements for FAC Inspections

May 6, 2019

Effective immediately, all inlaid thermoplastic line painting, as per the approved drawings, will be required to be in place prior to the FAC inspection for paved roads. The thermoplastic line painting will also be held to the same one year discretionary maintenance period after the issuance of the FAC for paved roads as per Schedule "J" of Subdivision Servicing Agreement.

Please, feel free to contact the Civil Land Development department at (403) 851-2570 should you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ryan Stewart", is written over a thin horizontal line.

Ryan Stewart, C.E.T.
Manager, Civil Land Development
Town of Cochrane
