## PUBLIC HEARING NOTICE: Bylaw 02/2020

### Public Hearing

Monday, January 27, 2020 | 6pm | Cochrane RancheHouse  
Any member of the public may attend to hear comments.

### What is Bylaw 02/2020?

Bylaw 02/2020 proposes to create a use definition for day homes and add it as a permitted use to all residential districts, both mixed-use commercial districts which currently contain dwelling units as a use, and both urban reserve districts. The Bylaw is also proposing to add day homes to the list of developments not requiring a development permit but will need to abide by certain regulations.

### Can I provide comments?

Interested parties can submit oral and written comments about the proposed change in person at the public hearing or by email before the public hearing.

### What does this mean?

This means that day homes will no longer require a development permit to operate, however will be limited to six (6) children per household, and may not have employees that do not reside in the dwelling. In addition, a day home can not operate if there is another day home, home-based business major, bed and breakfast, or more than one (1) home-based business minor in the same dwelling unit.

### How can I get more information?

Any member of the public may review the proposed bylaw and ask questions. Come to the Cochrane RancheHouse (101 RancheHouse Rd) between 8:30am and 4:30pm, Mon to Fri. Planning staff can explain what's proposed, how it might impact you and how the public hearing process works.
