Public Hearing

Any member of the public may view the public hearing and submit comments electronically.

What is Bylaw 12/2020?

Bylaw 12/2020 proposes to amend the land use bylaw to re-designate part of Lot 27, Block 11, Plan 9510845 (57 West Aarsby Road) from Highway Commercial District (C-HWY) to Local Commercial District (C).

What does this mean?

This means that the Bylaw is to change 57 West Aarsby Road from land designated for vehicle orientated commercial uses to a commercial land use focused on servicing the nearby residential development. The proposed land use is also better suited to support the existing building and businesses on the property.

Can I provide comments?

Interested parties can submit comments about the proposed change by email in advance or during the public hearing. Please send comments to planning@cochrane.ca and quote Bylaw 12/2020 in the subject line. Email submissions will be accepted until the public hearing is closed by Council.

Can I view and hear the public hearing while it is happening?

Yes. The public hearing will be live-streamed online through the Town of Cochrane website at cochrane.ca/CouncilMeetings.

How can I get more information?

Any member of the public may review the proposed bylaw and ask questions. Please call 403-851-2570 between 8:30am and 4:30pm, Mon to Fri. or email planning@cochrane.ca and planning staff will provide you with the proposed bylaw, explain what's proposed, how it might impact you and how the public hearing process works.
